

Serveries, Counters and Bars

From Stylish Cocktail Stations to Hardwearing Servery Counters

Our quality stainless steel fabrication is complemented by a wide range of drop ins to create highly functional cocktail stations, serveries and counters. Whether you are looking for a servery area for a hotel, restaurant, school or hospital, GFV Goldstar's CAD design team can work with you to ensure that your needs and price requirements are met. We can also create sophisticated cocktail stations, designed for style and efficiency.

Here are a few examples of the range of equipment we can supply for your back bar or servery:
